NEW THIS YEAR!

ART BOOTH

This year, we're excited about the new Octoberama ART BOOTH! The kids have been busy creating beautiful pieces with the art teacher, Miss Jennifer. We will be selling their masterpieces at the Art Booth and we can't wait for you to see them!

There are hand-stamped Mathews kitchen towels, beautiful cork pendant necklaces, awesome bottle cap magnets, painted reusable bags, amazing ceramics, and an opportunity to get a silhouette of your child at the booth! These works of art will inspire you and brighten your day! Yay for ART!

Creation Station

- No Tickets Required -

Construction - Come build LEGO with Snapology! Parents, enjoy the food and music while the children build among thousands of LEGO pieces.

Deconstruction - Take apart old electronics, safely. We will have all the tools and expertise to help you discover how things work.

Transformation - Don't like your prize from a booth? Trade it out, tear it apart, or add to it! Pliers and hot glue guns at your service.

Free bag for the first 400 kids!
Come early and get a Mathews bag as our gift to you.

LET THEM *win* CAKE

Don't forget to bring a cake or cupcake to the fun-for-all cakewalk. Just bring them with you to the event and drop them off in the cafeteria. The more cakes we have, the more fun - and programs - we can support!
